If you wanna let the boys go, hang out together, come and cuddle with me

Okay fs

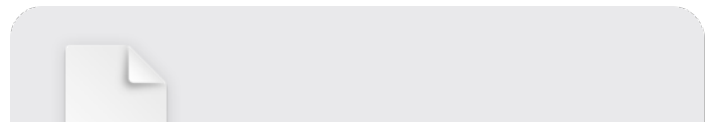

I'm trying to find it

I'll check my bank. I don't think so.

Ok

Now you have an excuse to come see me

Oh haha okay cute

?

I was just thinking naughty things

Oh okay cool

Anatomically correct software make human

Okay

Yeah I know

I'm sorry for bugging

You probably still can take it or are you still mark 3

Your best bet is to let him wear it out of the system

I'm just sitting here jerking myself like the creepy old man  
lol

This is why I like my video games sometimes lol

pls

But they don't wanna give me an example

fpic

You poor thing

I love you for Reil.

Oh yeah. Not those pics. I just found and old photos I  
forgot about

I forgot about

Sat, Dec 14 at 12:28 PM

Chloe ?

Yeah

Ok

On it

Let me know if you need anything else

He said he's going to take of it for me!

U already payed him

Ok

He just needed the demand letter which I found

Exactly what I told you

But he said she should have responded and let me know and he deeply apologizes

That is good news

Yeah

That's a relief

He says technically every employee in a corporation is a Vice President?

He's interesting

Hmmm

Lazy is not a word for it. I don't understand it, but look at the enthusiasm. He puts into patty, cakes, patty, cakes.

I wish I had it as lucky as you sometimes you tend to get a lot of things

Do you want to go do that together?

Only asking because your car has tags lol

If not it's all good

Bitch

I'll go with you I

OK, I'll start getting cleaned up

I'm getting dressed

You come to my house and then we'll take my car

6143 auburn blvd

OK

Lmk when you're ready. I'm still trying to finish my drink

How's it going?

I'm ready when you are

Omw

Ok

Pulling up. Can you bring my iphone?

Sat, Dec 14 at 5:16 PM

It seems my mom is leaving at around 8 o'clock in the morning, so you guys won't have to leave too early. Just saying.

Ok

Sat, Dec 14 at 9:22 PM

Mark 3 keeps blowing us up

He is now calling me

Oh god lol

I didn't want to get blue balled again. And he'd do all the coke haha

Didn't let him know we had any

He knows you better than that

Lol I guess

Plus, Mark probably told me you had it

It's not like you had any enough for more than

2

I checked his messages. He didn't mention it

I guess he just misses us

Idk

I'm really happy for the two of you

Says he wants to play a game together and get head

Maybe he'll do one more less rap song for you

For who?

Me and my Mark?

No, I'm talking about Mark three maybe he'll play one less rap song for you and it'll be more tolerable

Also it would be impossible to sneak Mark 3 in here.

He's too loud

Too loud, he probably wanna go to their room and talk to them about the theory of

Of life and how their son is amazing

Do you still have my T I left there?

And of course they do

Lol

What are you up to?

P just chilling, making a video

Oh? What kind?

I'm working on two different ones right now one for my family. I'm playing with the stuff for you and I made one of Mark promotion

What's going on? What are you thinking?

I was just kinda wanting to get some of the stuff I had because I'm getting tired and the T does wake me up

But only a little. I keep it with you for a reason ofc

Whatever you want, man I'm here for you

You still have the rest of your Coke here too

What are you guys gonna go to Mark's house cause she can't smoke that at your house with his parents there are you

Yeah. That's what I was thinking. Mark said you could come through. I know you wouldn't want to. But my Mark wants to go with him for a bit now.

Mark's just super pushy and needy rn

I do sympathize. But also cringe

So why don't you just give them some tea and come stay with me for a little while and then go back and hang out with them

Fuck, I would even bring it to you

Possibly. My main concern other than being lazy was that I do miss my Mark. Wanted to spend more time with him.

Since he gets distant at your place idk

I guess he also does at Marks

Just in a different way

More sexually averted to Mark 3

But he is slightly annoyed by him. It's hilarious

It wasn't that way at all the last time he was super

I understand whatever you need, my friend

Thanks darling

I honestly just wanted to chill at home and play my game

I honestly just wanted to chill at home and play my game.  
But I got both marks on me now

You got me all fucking tense now

Tense? Why bby?

It's their drama and how much effort it takes for you to just do something. It's ridiculous.

It's their ages that's all

Oh I'm sorry. Does it annoy you? I'm a huge procrastinator

I know

I don't get annoyed with you

You sure?

I can be annoying I think

I get annoyed with myself sometimes

Think it would be a little annoyed at myself because I won't go over to the Mark and just fucking be a bully and do what I wanna do with you. Don't worry about it

Not sure what you mean by that.

I be more dominator saying hey watch hang out and go. Just feel like Mark three is just take over the room.

Like I'm the only one there and don't worry about everyone else's feelings I'm just always so accommodating

He just always takes over the room

Regardless if you're there

That's what I mean. I want frustrated with myself that I

don't just do that. Maybe I would make me feel more fulfilled. It's not me. I was just commenting on the fact that that superpower of his.

Actually, both of them had the same superpower

I can do that too but I'm not soo pushy and forceful about it.

Don't like doing that

I haven't seen you do that so I probably do the same myself team in nature

I don't know where you put that stuff so let me know so I can get it put together

Can I presuming you need to borrow stuff to

Just smoke it

Borrow what?

A bong

We still have that pipe you let us borrow

I left that at Mark 3s

If you still have it, that's fine. I didn't let you borrow it and

I don't like having anything to do with T on my person.

Even though I still do it apparently

I gotcha

Oh did I take without asking?

I thought you let me borrow it I'm sorry

I miss I miss worded what I was saying you're fine I gave

to you

Oh okay.

Talking to fast info the phone?

You can also tell me to get over and come join me and it might

Unless you think that's gonna make it a mess

I gotta meet with Mark 3 first I guess

He needs a ride to meet his dealer and has to send me the money because he only wants cash

I can drop them off there. Come see you for a bit after and then head back to them?

What are you? What is he buying?

He's buying coke.

Which is why my Mark is wanting to go hang out with him now lol

Do you want to just sell them that bit that you gave me? I haven't touched it. He's not buying it as much as we do it is.

Because you have to get the tea anyhow

lol I like your other idea. I'll just play it by ear. Just let me know when you're gonna be stopping by.

Okay boo

Let me just gather my shit and head out

Kinda want to be out of here now

Too many decisions to make

I'll get a bag packed up for you so when you swing by here to pick up that it'll be ready for you see if you and

here to pick up what he has ready for you see if you can  
Mark 3 don't have to come in

I'm just going to let him buy his own stuff

That's yours isn't it?

That's just tea

Oh okay

I'll save the other stuff for you but tell him you want some  
for driving him

From the Altoids?

I think he was getting the coke as a lure to get me and  
Mark to finally hang out haha

I'm going to pick up this stuff and then drop them off here  
at his place

Then come to see you okay?

Phones battery is low ofc

So I'll call you when I'm otw

Ok

Are you able to send me like 5 on Venmo?

Mark sent me the money on there but

There's a surcharge and then also the charge at the ATM

I can add that to the other 20 I owe you

Ok

Thanks baby

Messyyy

Omg so irretrievable

What's up?

The fucking cashapp

Won't let me take money out right after I put some in

Can you transfer it to my account?

I've been to 3 different atms

He won't let you just send it to him that

We're going to try to transfer it to Mark's chime

Then he will try to withdraw

Unless you have a better idea

I'll give you that coat that you left here and give him that tea and forget about it

What do you mean?

Call me

Ugh and now my gas light is on. Fuck

I hml

I should have enough miles left to make it to you I think

I probably have some cash

Okay

. . . . .

I can probably make it to you

Good

Or I can just come get you

Yeah? Maybe idk

If you're okay to drive and all

Ok

I'll let you know though

Can I come free now?

Should have enough to get to tou

Not yet

We're waiting for the guy to come out to give us our damn coke lol

Sorry I'm just really irritated

Trying to calm down lol

It's OK, baby just take some deep breaths

I am

My Mark is passed out already lol

Count backwards to 10

And ofc my fuckin PHONE

DOESN'T LIKE TK CHARGE

I'm going o scream

Everything's fixable you know that

I know

I KNOW

I just don't like being flooded all at once with stupid inconveniences

That shouldn't be my problem

Well, the world was against you but now it's over now it's gonna be all for you

Leave your worries behind at the door and come back to him later

I left the front door open for you just in case your phone dies

Okay. Just got back to Mark 3's

Do you want me to come for you?

I have 22 miles left on my car. Should be enough to get to your place yeah?

Yes

Or you think you should just come get me?

That's your call

I'm happy to come get you

I'll just come get you

Yeah. Can you come just pick me up?

Yes

Maybe we can smoke in your car and hang out? Or did you want to go back to yours?

I don't wanna hang out in the car. We're way too old for that.

Lol okay sorry

I'll be here then

I just want to play my game soon. It will calm me down

Idk why the irritation won't go away lol

You'll be fine

I know. I'm being a drama queen

No

Call me

Here

Sun, Dec 15 at 7:08 AM

Sun, Dec 15 at 8:56 PM

I'm in the bathroom

U ok

Idk

I guess it just bugs me how bad he wants to go out and get fucked

When I'm not horny with him

Let them and they my not Evan go

He was wanting to bring a guy here but idk how I'd feel about it.

I don't like iiiit ugh

No to many people

Ok. I'll make sure hes aware

Find some pay for this uber each way they have to make.  
Happen

And I do not think he will go

He has a guy that's willing to pick him up apparently

And he said the guy is willing to fuck Mark in his car

Getting fucked in the backseat of some randoms car? I don't like it

No he need find a hotel for that

He said that's what the guy is willing to do

It would be a yes but not in a car for a quickie

So you agree with me then?

Yes

No car that's F buck up

He says he likes how the guy was being an ass to him

It is a kink

And the idea of getting fucked in a backseat in some random parking lot lol with some random dude

Like c'mon. Have a little more dignity

He just can't go in and out of the house in tell much later

Okay

Idk why he always likes the creeps

What do you think

I think I like it better when he just jerks off in the bathroom lol

That is what u want and u fell safer

Yeah lol

Maybe if I get horny I'll feel better? Idk

I was enjoying not being horny for once lol

It's ok

It is not your. Job just to fuck Evan tho u a so good at it

Lol

That is what is making u feel trapped

Do you think honestly we should take Max in somewhere?  
I'm not sure what to do lol

If he's being dramatic because I'm here

Or actually going through it

No I think we are ok

Ok

Still debating when I should go home too. Idk

Your energy is off

Neither of us are rushing to get home haha

Probably because I'm on day 3 now

Yeah, I can imagine

Hope I'm not bothering

Not at all

I I'm enjoying my time I can have with you

Ok thank you baby

Move time

Movie

Okay sec

What should we do?

I'm a little worried. Especially after Grove died

They did not eat

Sun, Dec 15 at 11:56 PM

Are we able to bring a friend over now that's it's later or still no?

Up to u I do not want to be the 3weeal like last time

Who did we have last time? ldr lol

And I know u are not felling sexual

No. Trying to be because I want to try to keep Mark here

But still kinda lazy

Also annoyed

Y

Mark was agreeing to let that guy record fucking him.  
Soooo not okay with that

Told him he needs to remind Jake. It's not happening

I'm also reminding him too

With both of us watching

??123

In general

Nobody gets to record my bf getting fucked unless it's  
me doing it he fuckin

Ya

Not in this house unless it was u doing it

Also he wanted to dose Mark out on G till he passed out  
and then fuck him

M3

And Mark sounded okay with that.

No

Mine

No fuck

I had to remind him. Noooo. That's not okay either

Like c'mon

Now I'm nervous letting him run out there

U can't

He better be quick if he goes

Yeah well I am

You will never learn anything if you don't let them make some mistakes. He can't live trapped.

I'm giving him quite a lot of freedom I think

Yes and I do not think he will find some one to come here pick him up or deal with rule here

Good

Lo key I'm kinda getting horny

Mon, Dec 16 at 7:09 AM

Omg. Drama with the Marks

Mark 3 is kicking my Mark out

I sent all of the numbers I have for home

Mark3

Where are you guys going?

Omg. He's not fucking moving or getting up.

It's pissing me off.

I just need him to get off his ass and get in the car i even parked in the driveway and left the heater running

I don't have much gas

I think if you just give me a call, it might pass the time a little quicker. Are you cold? What did Mark say we didn't finish

I'm tempted to leave his ass here and have him deal with this

Is he that asleep?

Yeah apparently

He gets super aggressive when I try to help him get dressed or take the blankets off

Did you wanna come over here? It would be closer.

You ok

do you guys just wanna come over? Don't think it's too smart to be smoking. at your House.

Or I'll do just as you asked

The guy that I passed up this morning, isn't coming now tonight

I was thinking it would probably be fine doing it here if it was only a little bit. My Mark was missing me all day and misses hanging out with me.

Idk how his mind would turn going there and his mindset turns.

That's really your guys deal not mine but like I said come and get it

Idk it was a thought. If you're not comfortable with it. Don't worry.

doesn't have anything to do with me I don't know why would I be unable? I'm not the one that's gonna get in trouble.

Oh stop it. I didn't even know you wanted me to come back.

I'm not upset

I can come over. I just really needed to stop and respond to all these texts my Mark is sending

You just told me I would be here in a half hour so I wait

Absolutely take care of what you need

Wait, when did I say I was coming back in an hour and a half? I just want to make sure you know I'm not trying to mislead you

Wait when you were leaving I'll be back in a half hour

That is the only reason we're having this conversation

Hmm. I'm sorry I honestly don't remember saying that or even remember thinking it because in my mind I was thinking you needed to kick us out because you were potentially inviting someone over

You can relax

Okay.

Just don't rush.

?

Sorry my brother had my phone

He said you called?

Hi did you get your wine

Yes! Thank you! You always have to be extra though.

Haha, I'm glad

I was giving you something to buy your brother something not fair that you just get wine for you

You think you're coming back this way

My sister made me go with her to friends so idk

Where is that

He doesn't like guests but I can ask her

Don't worry about it baby I wasn't asking to come over but thank you I wouldn't mind seeing you though

Oh okay. I'll let you know if I'm able to slip away but most likely not since she asked me to come with

Sounds like fun

I hope my mother decides to go to the Bay Area she's been acting like she may not wanna go

We have to get serious about New Year's soon

Oh no

Yeah I've been meaning to talk to you about it.

My friend is asking

He says he can bring Y

Thu, Dec 26 at 1:38 AM

Are you still awake?

Yes

I just got back to my sister's place

Nice

My sister and the kids will be here fairly early you won't be able to stay super late I would have to get you out of here by 7:30 is that OK if you do stop by

Not being pushy but I'm gonna send somebody away that could be on their way very soon if you're gonna be able to come and see me much rather be with you

Oh okay. I see

Maybe then just invite them over

I already called them off

Omg

I understand

I tried to run away from my sister but she found me

She's hard to escape from dialogue

Can't wait to meet her

So what did you do tonight did you find

Some fun at least

No fun unfortunately

The night is young baby

You're bad

I wouldn't have much time to get away before my sister starts blowing up my phone

Has to be someone who knows me and you have a tribute on my insecurities

And then vanish

And to be honest I'm sorry but I do miss you

Aww. We'll be hanging out again soon

But you know all these hoes be flaky asf

I think the fact I'm dreading having to be around my sister for three days and not being able to see anyone it's gonna drive me nuts

Oh yeah. She sounds like a handful. Maybe we can find a reason to sneak you out

Oh well I think I'm just gonna jack off for my fourth time tonight hopefully coming four times to put me to sleep

That's quite excessive. Don't hurt yourself

You're that horny huh?
